

How to phrase the “YES” or “NO” question on the

EFA-7A form:

“Is this the first time you have received USDA commodities from anywhere else in Ventura County this month?”

"¿Es esta la primera vez que recibe productos de USDA de cualquier otro lugar en el condado de Ventura este mes?"

If they ask “How do I know?” you can:

- 1) Either check your own pantry’s Pantry Trak “date last served”
- 2) Ask if they have signed the hard copy of the EFA-7 sign-in form anywhere else this month (for those pantries who are not on e-signature)

OR

- 3) Ask if they have been asked to input their initials on any keyboard for any e-signature process this month (since we are only asking for e-signatures on USDA distributions)
