FED UP

Dear Friend,

Are you **FED UP** with the increasing levels of food insecurity?

At Food Share, we're committed to making sure no one in Ventura County goes hungry. Last year alone, we provided food to over **250,000 people – 1 in 4 of our neighbors.** It's a staggering number, and the need continues to grow.

That's why we're inviting you to be part of the solution by sponsoring our **4th Annual FED UP Shindig.** Your support has never been more critical.

If you joined us last year, you know it was a night to remember – great food, delicious drinks, plenty of laughter, and, most importantly, a shared purpose. If this will be your first time, get ready for an evening that's both fun and deeply meaningful, surrounded by others who care as much as you do.

So, throw on your jeans, pull up your boots, and together, **let's get FED UP!**

With gratitude,

Monica White
