

ANNUAL IMPACT REPORT

FISCAL YEAR **2023-2024**

Leading the fight against hunger in Ventura County.

A LETTER FROM MONICA WHITE

Dear Friends,

More than just an Annual Impact Report, this is a **Gratitude Report**. This is our opportunity to express our **heartfelt thanks to you, our donors**.

We cannot fight hunger or nourish our community without you. Your generosity fuels everything we do — helping us provide fresh, healthy food to families, seniors, and individuals facing hunger.

Every dollar you give, every hour you volunteer, and every word you share about our work helps build a stronger, more resilient Ventura County.

Throughout this report are testimonials from the people we serve and those we work alongside, highlighting your support's vital impact on their lives. We are deeply grateful for your kindness, compassion, and partnership in the fight against hunger.

Reflecting on this past year, I am incredibly proud of what we have achieved together. **We fed over 250,000 people**, nourishing hope and building a stronger Ventura County community. Your support ensured our success despite supply chain challenges, natural disasters, and market uncertainty.

This year, we continue to focus on ensuring our neighbors have access to nutritious food and advocating for increased support. We are strengthening our agency and corporate partnerships to grow food and fund resources.

We are currently working on a new 3-year strategic plan to define our goals through 2028. We will share this with you upon completion.

We look forward to your continued support and another year of growth, resilience, and hope, **ensuring that no one in Ventura County goes hungry**.

Warm regards,

Monica White

HUNGER RELIEF PROGRAMS: Feeding Our Community

Senior Food Boxes

Food Share distributed 39,000 food boxes to low-income seniors aged 60+ at 42 monthly locations. Boxes include protein, shelf-stable food, and fresh produce, when available.

"I wouldn't be able to manage without my Food Share box. It's been a lifeline."
– Hilda K.

Pantry / Agency Partners

Food Share worked with 200 pantry partners, providing food through 335 food distribution locations.

"Every family we serve is deeply under the poverty level. When you provide nutritious food, that keeps the electricity on. Food Share is not just a food bank, it is an emergency responder." – Tim Hagel, Safe Passage, Food Share Pantry Partner

Kids' Farmers' Market

Over 130 Kids' Farmers' Markets were held in community centers and Boys & Girls Clubs. Nutrition education classes were held at 11 sites and 140,000 pounds of fresh produce was distributed.

"These children wouldn't otherwise have access to fresh produce and nutrition education. To see them rush home to cook meals with their family is heartwarming." – Estefany Zaragoza, Branch Director, Boys & Girls Club of Santa Clara Valley (Piru)

Kids' Kitchen Program

This program provided 6,720 packs of healthy breakfast and lunch food for children from low-income families, made possible with a grant from Albertsons/Vons/Pavilions Foundation, and other generous donors.

"For many families in Ventura County, school meals are a student's only consistent source of nutrition. Food Share helps fill the gap." – Earle Okamoto, Assistant Executive Director, Boys & Girls Club of Moorpark & Simi Valley

Kitchen-Free Program

Food Share provided 17,327 Kitchen-Free bags of nutritious food to the unhoused who do not have access to a food preparation area.

"The Food Share bags are good. I like the pasta, soup, and cans of chicken and crackers." – Joe R.

Driving Change

This year, Food Share expanded its fleet, buying additional trucks to share with pantry partners, ensuring equitable food distribution and improving food recovery efforts. The refrigerated trucks and vans allow our partners to transport fresh food directly to their communities. This innovative approach reduces food waste while strengthening Ventura County's hunger relief network.

"Sharing trucks and trailers with our pantry has been a game-changer."
– Betsy Connolly, Adelante Comunidad

College Park Drive-Thru Distribution

With 50 distributions annually, Food Share served more than 200,000 individuals last year and over 1.3 million Ventura County residents at College Park in Oxnard since April 2020.

"As a mother, it makes you feel horrible that you can't provide. One thing like this, changes everything, everywhere. I'll remember it forever." – Ashley, mother of two children

Farmworker Program

Food Share held 60 farmworker food distributions, serving over 25,000 individuals. The 12,000 boxes for farmworkers included culturally preferred foods and were distributed with 40,000 lbs of fresh produce.

"You have no idea how badly we needed this right now. Thank you and bless you always." – Local Farmworker

Household Essentials

More than 370,000 lbs of essential household items were distributed. These items include COVID tests, paper goods, diapers, wipes, and period supplies.

"Diapers are so expensive. As a single mom, it's been so helpful financially to receive these diapers and wipes." – Ashley, First 5 Ventura County participant

STRENGTH IN PARTNERSHIP

To distribute the vast quantities of food procured and processed annually, we partner with over **200 community partners**. These partners operate food and diaper pantries in diverse locations such as schools, medical centers, churches, and senior centers throughout Ventura County. This helps remove barriers to access for our friends and neighbors seeking support and ensures that Food Share's reach extends across the entire county.
