

CORPORATE VOLUNTEER OPPORTUNITIES:

Looking for a meaningful team building experience? Whether sorting or distributing food, or assembling kitchen-free bags, your team can play a hands-on role in feeding the 250,000 people we serve each year.

Volunteering with Food Share strengthens teamwork, boosts morale, and demonstrates corporate social responsibility. We can accommodate groups of various sizes and tailor experiences to fit your company's needs.

Contact Jessica Hug, jhug@foodshare.com, for further details.

COLLEGE PARK DRIVE-THRU FOOD DISTRIBUTION

Launched in 2020, our College Park Drive-thru has grown into our largest food distribution site due to ongoing community need.

Volunteers help with registration — collecting basic client info and placing ID tags on vehicles — or assist with food loading, traffic flow, and cleanup.

LIMITATIONS:

Ideal for those able to stand, walk, lift, carry up to **40 pounds**, and assist with large boxes of food products. Capacity: **50 Volunteers**.

RESCUE FOOD SORTING

Food Share partners with retailers to collect unsold groceries. These, along with food drive donations, are stored in 'Rescue' before being sorted and distributed to those in need.

As a volunteer, you will inspect, sort, weigh, and box canned and packaged food, ensuring packaging quality and valid expiration dates.

LIMITATIONS:

Ideal for those comfortable with lifting, twisting, bending, and carrying boxes up to **35 pounds**. Capacity: **15 Volunteers**.

FARMWORKER BOX PACKING

Food Share of Ventura County is a recipient of the Feeding America Boundless Collaboration Grant that allows us to help address the lack of equitable access to food for farmworkers.

As a volunteer, you will help assemble boxes with culturally appropriate food, preparing them for distribution.

LIMITATIONS:

Ideal for those comfortable with lifting, twisting, bending, and carrying boxes up to **15 pounds**. Capacity: **20 Volunteers**.

SENIOR KIT PACKING

Food Share's Senior Kit Program supports 3,500 low-income seniors aged 60+. The warehouse packs a monthly box of 16 nutritious food items, including cereal, soup, beans, and other shelf-stable items.

As a volunteer, you will help build these boxes, fill them with the prescribed items, and prepare them for distribution.

LIMITATIONS:

Ideal for those able to stand, walk, lift, and carry, or assist with carrying food boxes up to **35 pounds**. Capacity: **25 Volunteers**.

PRODUCE BOX PACKING

Food Share's produce partners provide over six million pounds of fresh produce annually, which is sorted and distributed to pantry partners and given to Ventura County residents at Food Share's drive-thru food distribution.

As a volunteer, you will help assemble boxes and pack fresh produce on the assembly line.

LIMITATIONS:

Ideal for those able to stand, walk, lift, carry up to **35-50 pounds**, and/or assist with large food-filled boxes. Capacity: **12 Volunteers**.

EMERGENCY BOX BUILDING

Emergency food boxes contain shelf-stable pantry items like peanut butter, rice, pasta, and beans. When supplies allow, boxes are supplemented with fresh produce & dairy items.

As a volunteer you will help assemble and fill boxes to be distributed to low-income individuals and families in Ventura County.

LIMITATIONS:

Ideal for those able to stand, walk, lift, carry up to **15 pounds**, and assist with large food-filled boxes. Capacity: **15 Volunteers**.
